The Honorable Sam Graves  
Ranking Member  
Committee on Transportation & Infrastructure  
2164 Rayburn House Office Building

Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Bridge Replacement of CR 46 (William Floyd Parkway) over Narrow Bay in surface transportation reauthorization legislation.

The project sponsor for this project is Suffolk County and the project is located at CR46 (William Floyd Parkway), Brookhaven, NY 11967.

The funding is designated for Bridge replacement of CR46 (William Floyd Parkway) over Narrow Bay, due to structural deficiencies and to improve alignment.

The project is an appropriate use of taxpayer dollars and is anticipated to benefit the First Congressional District of New York. The main objective of this project is to eliminate the structural deficiencies of the existing bridge, while also improving safety and pedestrian access. The project will improve mobility, safety, and operations for motorists, pedestrians, and bicyclists. Additionally, the project will minimize life cycle costs by reducing maintenance requirements and operating costs.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Lee Zeldin', written in a cursive style.
