The Honorable Peter A. DeFazio
Chairman
Committee on Transportation and Infrastructure
2165 Rayburn House Office Building

The Honorable Sam Graves
Ranking Member
Committee on Transportation & Infrastructure
2164 Rayburn House Office Building

Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the resurfacing of CR39, North Road from NY27 to CR38, and North Sea Road.

The project sponsor for this project is Suffolk County and the project is located at CR39, North Road from NY27 to CR38, and North Sea Road in Southampton, NY 11968.

The funding is designated for a project to resurface CR39, North Road, from the vicinity of NY27 to the vicinity of CR38, North Sea Road.

The project is an appropriate use of taxpayer dollars and would benefit the First Congressional District of New York. The main objective of this project is to restore the pavement riding surface to a smooth and distress free condition by milling and resurfacing the existing pavement. The work is expected to increase safety and provide a smooth riding surface for vehicular travel for the next ten to twelve years. The project will also include ADA compliance work, curb and sidewalk repairs/installation as necessary.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Lee Zeldin', written in a cursive style.
